FACTS

Section 1915(e)(2)(B) #1 through #11
 which includes exhaustion legal claims
 and requested relief and verification
 #1-62 is facts / 63-90
 demonstrated etc

- ① ON July 29, 2019 OR July 30, 2019 while housed in the "DTU" Diversionary treatment unit designed to treat & discipline seriously mentally ill inmates I WAS subjected to patterns of excessive force & sexual assaults in Retaliation for my complaints, grievances, etc after threats was made by defendants
- ② I am and WAS diagnosed with "Schizoaffective Disorder Depressive type" a serious mental illness ON "DTU" at SCI-Camphill since 2015 Leading to 2020.
- ③ ON July 29, 2019 OR July 30, 2019, I WAS housed currently in EA-1007 at SCI-Camphill in PA DOC when Defendant Ritchey stated threats that he and his "DTU" officers (Defendants) will come in my cell to FULK ME/RAPE ME, Physically / Sexually assault me. Therefore I filed PREA Sexual Abuse / Threats complaint.
- ④ ON July 30, 2019 OR July 31, 2019, I plaintiff Zamichieli WAS interviewed in SCI-Camphill Security Department by Defendant Mihal who is the (PREA) PRISON RAPE ELIMINATION ACT Lieutenant assigned to investigate sexual Abuse etc within the facility as she and defendant BRONESCOWSKI a Pennsylvania State trooper works together as partners and friends to investigate complaints. Defendant Mihal interviewed me about Prea filed against Defendant Ritchey. All Defendants knew that the cameras on unit didn't record. ^{security}
- ⑤ Defendant Mihal relayed to plaintiff that Defendant Ritchey is a homosexual who had a history of sexually harassing or abusing inmates in the facility. also multiple witness inmates in cells nearby witnessed the threats by Ritchey as testified in interview by Mihal.
- ⑥ ON July 30, 2019 OR July 31, 2019 while in Defendant Mihal's office, she began conversation in sexual manner about how she know/remember me from being at SCI-Camphill in 2015 on "C" Block when she was a Srgent and use to stop at my cell door encouraging me to pull penis out and masturbate for her to watch.
- ⑦ at the interview in Defendant Mihal's office, she stated "the time has now come, you are finally alone with me here in the office, I want to feel the penis you always showed me, I want to feel it inside of my vagina, I been waiting for this moment for years"
- ⑧ Defendant Mihal told me, plaintiff Zamichieli that she'll give me commissary Products food hygiene, etc and protect me from all harm in the facility and make sure Defendant Ritchey don't harm me or get others to harm me as he threatened. Defendant Mihal promised the above if I agree to have sex with her and kept it a secret...

⑨ I WAS SCARED and afraid so I had NO choice but to accept her offer, Bribe etc because I am only 5 foot 2 weighing 110 pounds with serious mental illness very weak / vulnerable as Defendant Mihai knew. She was about 5 foot 11 weighing 200+ pounds.

⑩ Listed in my PA DOC, psych, and medical Records, etc since 2016 or 2017 I was to only be seen or interviewed by only male staff/employees in regards of any issues in the facility due to my vulnerability and past abuse sexually by female employees in PA DOC, etc, etc... All Defendants including Mihai knew this but ignored the Directive and still proceeded with the obvious. Thereby failing to protect me & deliberate indifference to the unsafe risk of attack, etc.

⑪ on July 20, 2019 or July 31, 2019 Defendant Mihai, in her office, pulled my penis out of my pants with her hands while I was handcuffed/Belted sitting down in a chair, she stroked my penis until it was fully erected and eventually she sat down on top of my lap while facing me as she pulled her pants/panties down and slid my penis inside of her vagina and moved herself up & down very rough & fast for about 10-20 minutes or so as I asked her to stop because it was hurting my penis and back but she kept going until she had orgasms and caused me to ejaculate inside of her & vagina. The pain lasted for weeks.

⑫ I was scared to tell many people although I told a few defendants but it was ignored, as I also went back to unit/cell and saved the underclothing as evidence to bring to staff that would have Defendant Mihai's DNA on it such as vaginal fluids, however such evidence was destroyed by staff/Defendants weeks afterwards intentionally, as staff took them from my cell to prevent preservation. Staff Defendants also destroyed confiscated witness statements of other inmates about 8/19/19 incident taken from my cell.

⑬ ON August 14, 2019 Defendant Ritchey was on ~~the unit~~ the unit who communicated messages to his DTU Staff (Defendants) SCI-Campbell to harm me.

⑭ ON August 14, 2019 approx 2:00 - 2:40 PM as unit camera would review, if camera footage exist as I was told that it may/or may not exist because the camera's on unit is "for show and tell and don't work or record." The camera would show that Defendant Rivera who is now a Lieutenant but was a COZ (officer) at time of incident came to my cell EA-1007 and stated "when we get a chance we will come in your cell to beat your ASS because you filed PREA complaint ON OUR BOSS, Ritchey!" Inadequate insufficient amount of cameras on unit was a safety security risk all defendants knew cameras didn't record but failed to remedy.

⑮ ON August 14, 2019 approx: 2:00 - 2:40 PM moments after the threat by Defendant Rivera; he, Defendant TROJAN, Defendant ARMSTRONG and a few others who may be listed Defendants or ~~Ritchey~~ entered my cell EA 1007 while I was using Bathroom sitting on toilet pants down and physically-sexually abused me by punching kicking kneeling me in face, head, hand, back and rectum. Defendants knew excessive force was happening on unit with no working recording camera.

- 16) ON 8/14/19 Defendants had Rubber gloves ON their hands when they entered my cell without a hand held camera. They failed to preserve the gloves evidence
- 17) according to Policies of the PA DOC such AS 6-5.1 dealing with Security in Level 5 housing units, RHU, etc employees are NOT Authorized to enter cells without an audio/visual camera on scene prior to opening door of cell of a Problematic inmate, unresponsive inmate, etc camera must be present, on, and recording. IF the unit cameras worked (record), it will show Defendants entering my cell... But A camera didn't work (record), it's a textbook example of deliberate indifference to safety of inmates.
- 18) While I WAS ON toilet pants down after ~~whip~~ whipping, Defendants entered my cell and lied and said I was unresponsive had sheet around neck and seizing as door/window covered. They lied, They changed stories as they first said I had sheet around neck hanging and my door was covered Then They said I was having seizure and they stated that was reason for entering my cell.
- 19) My Door/window ON 8/14/19 2:00-2:40 PM WAS UNCOVERED way and officers had view in my cell when Defendants knocked me off of the toilet to Brutally beat me. Inmate DEEM-~~DEEM~~ housed in EA-1009 was in his cell saw incident also EA-1010 Robert wead also inmate WILLIAM MORENO and others who wrote affidavit declaration statements on my behalf.
- 20) I WAS Struck, punched, kicked kneed elbowed in my eye, face, head, neck stomach Ribs BACK ARMS legs hands etc, multiple times by involved defendants who entered my cell on 8/14/19 2:00-2:40 PM and put me in handcuffs from behind BACK and while (handcuffed) I WAS again punched Kicked Brutally Beaten By Defendants as They Banged my head to floor, squeezed my ~~fec~~ testicles from behind to force me to cry and moved as they caused ed said stop resisting ~~no~~ when I Really wasn't resisting. They tied sheet around my neck/face to choke me and I couldn't see all of their faces and I got a view and saw Defendant TRAJAN insert the metal pole 40 minute punch bar steel of 4 inches long into inside of my rectum causing extreme pain discomfort as I cried as result, and possibly lost conscious briefly and had seizure as result
- 21) ON 8/14/19 when The Defendants Entered my cell they Labeled the incident as a "medical emergency of unresponsive inmate" as they documented on DCI 21 Incident Reports & Misconduct Report
- 22) Defendant TRAJAN ON DCI 41 Misconduct Report stated it was medical emergency of an unresponsive inmate, and then he falsely accused me of assaulting him by ~~alleging~~ allegedly kicking his ARM/fore ARM several times while he was applying leg restraints-shackles on an unresponsive inmate medical emergency in my cell on 8/14/19.
- 23) As a Result of the false DCI 41 Misconduct Report by Defendant TRAJAN, I had to undergo hearing, falsely found guilty and sentenced 75 days consecutive DC time in RHU

- (24) I suffered Numerous of INJURIES Swollenness Bruises, cuts, scrapes to the face eye, Neck ~~arm~~ hand, Back Legs etc which was Bleeding and painful and Defendants used Metal keys as weapons while in cell and Repeatedly poked stretched my hands causing Bleeding INJURIES to hands as well. Prior to camera arriving, I heard Defendants say to each other "he's (SME) so we can say & make it look like he tried to hang himself"
- (25) After Being inside of my cell for moments, a handheld camera eventually arrived Late and I was escorted to Strip cage or Medical / POC on camera Audio/visually where I Reported Sexual abuse by Defendants as they heard OF then Later they created a false Retaliatory misconduct DC/41 to justify ABUSING me by claiming I assaulted TROJAN when I did not.
- (26) According to B. 2.1 Medical Policy, 6.5.1 Level Sunit Policy, and B. 8.1 Section 14 § c.4 DTU Policy, when entering cell of a seriously mentally ill inmate in DTU, etc; applying Leg Restraints / Shackles or cuffing Behind Back is prohibited especially dealing with a (SME) "unresponsive inmate in need of medical attention - medical emergency" Applying Leg Restraints ON an inmate who is shaking, tremoring, from medical disorder allegedly actively seizing seizure is cruel & unusual and deliberately indifference to medical conditions seizure disorder. I had seizure after the Beating & before handheld camera arrived in cell. I WAS beaten by Defendants while handcuffed / shackled.
- (27) Most of my INJURIES suffered from incident of 8/14/19 was documented in medical files Records DC 0457 charts, etc although Nursing Staff at SCI-Camp Hill falsely documented my statement of facts of incident, INJURIES, nature of INJURIES, just so they could cover up their employees (Defendants) illegal behavior and they was told by Defendants
- (28) Medical Dept Staff, LT's, collected my clothing for Preservance OF evidence of Sex abuse and Preserved to my ~~own~~ knowledge on 8/14/19.
- (29) I was taken to outside hospital "UPMC Harrisburg PA Pinnacle" who also Documented Recorded my INJURIES in Medical files Records of Hospital, The SANE /SAFE Nurses also took Photos of my INJURIES also performed a Rape kit to preserve evidence of Sexual assault of the incident 8/14/19 when The metal Bar pole was shoved inside of my Rectum by Defendant TROJAN / others. Reports, Photos etc of The hospital was and should have been forwarded to PSP State Troopers for investigation.

30. In the internal prison system for PREA Report against Defendant TROJAN, Ritchey, ARMSTRONG, RIVERA, etc; LT. FRANCIS was eventually assigned to investigate and respond to grievance reporting sexual/physical abuse on Defendants due to conflict of interest bias if Defendant Mihail would continue to investigate.
31. ~~Defendant~~ LT. FRANCIS, a ~~non~~ non-defendant, at time, has never interviewed me about the physical/sexual abuse as he was assigned to go assigned to respond to grievance, however reasons unknown to I was never interviewed by Defendant ~~and~~ weis about the 8/14/19 incident at any time either but however Defendant ^{Baptist} weis responded to the grievance, etc They failed to investigate the incident, nor did ~~Defendant~~ Defendant Baptist ever interview me about the 8/14/19 incident.
32. Defendants ~~and~~ falsely documented that he interviewed me about 8/14/19 incident on any date such as 9/16/19 or 10/16/19 etc he stated on grievance response that I admitted to lying about the incident of ABUSE 8/14/19.
33. However I never lied about the abuse that has taken place on 8/14/19 or any other abuse incidents in question, nor did I allegedly admit to lying about any incident of pattern of abuse, etc.
34. There's no proof that I allegedly lied or allegedly admitted to lying about any of the ABUSE incidents... There's no Audio/visual recording footage of me allegedly admitting to lying nor is there written statement proof that contains my handwriting and signature verifying Defendants ~~and~~ false statement because I did not ~~by~~ lie about the incidents of ABUSE.
35. ON 9/16/19 or 10/16/19 Defendant weis or ^{Baptist} ~~Baptist~~ Did interview me about the incident of sex abuse I filed against Defendant Mihail and I told him how Mihail sexually abused me in detail, that happened ~~on~~ in end of July 2019 and on September 3, 2019... Defendants ^{Baptist} weis never questioned me about the incident of July 29, 2019 or July 30, 2019 that involved threats by Defendant Ritchey to abuse me nor did Defendant ~~and~~ interview me about the 8/14/19 incident because he wasn't assigned to investigate it. Defendant Baptist also again questioned me in Sept-October 2019 about ~~having Kathleen Delicata in prison, sexually, weeks after Sept 3, 2019 abuse by Mihail~~
36. ON September 3, 2019, I was called up to security Dept by Defendant Berfield and was escorted in handcuffs (Belt, who questioned me about allegedly "Having a Female Staff in Pocket" he heard rumors of from confidential source Berfield knew about the first time I was abused by Mihail but didn't protect me, let it happen again.

- (37) Defendant Berfield stated that his informant told him that I had a staff member name "Kathleen Delicati" at SCI-Camphill in Pocket and had sexual dealings or interactions with her and other female staff who allegedly consented.
- (38) After finishing up interview with Defendant Berfield on 9/3/19, Defendant Mihai called Berfield's office phone and said she needed to see me in her office.
- (39) ON September 3, 2019 I was handcuffed/Belted, I went into Defendant Mihai office, Security Dept Interview Room, she questioned me about the same thing Defendant Berfield questioned me about.
- (40) Defendant Mihai stated that she was mad/disappointed at me because she felt jealous and some other type of ways emotionally that she heard that I was sexually dealing with another female staff member (the rumors) she stated that she "was supposed to be the only woman I was allowed to be sexual with." At this time she admitted that she wanted a serious personal intimate relationship committed with me, also she heard that I reported her for abuse about July 2019 incident.
- (41) Defendant Mihai and staff member "Delicati" use to once deal with each other in sexual ways in past, they was bisexual both attracted to male & females and each other and me.
- (42) After questioned by Defendant Mihai on September 3, 2019 in afternoon or evening, Defendant Mihai moved closer to me, pulled her pants down and pulled her ~~ass~~ purple panties down while I was seated, in handcuffs/Belted, she put her vagina area in my face mouth telling me to kiss, lick, eat it. I did it for her in fear. Moments after performing oral sex on her against my consent, she pulled her clothes up and moved down lower towards my penis area, she used her hands ~~on my penis~~ after putting rubber gloves on, pulled my penis out of my pants and proceeded as though she was going to perform oral sex on me, she then put a glove over my penis and bit my penis with her teeth, she raked her teeth over it roughly, causing pain scrapes! I tried to pull away or move away but she had a grip on my penis with her teeth. She ripped my skin slightly causing teeth prints, pain, bruises on my penis.

(43) ON September 3, 2019 IN Defendant Mihal's office after she Bit my penis, She pulled a Metal Sharp object out Placed it to my penis threatening to cut it off if she ever again hear that I had sexual dealings with another female staff besides her. I cried out in Pain discomfort. I hurried and got up putting Penis in my pants and attempted to Run out of the Room away from her, She then hit me IN BACK of my head with either a Closed Fist or another object very hard. I made it out The Room in Security Lobby area where I was yelling help to others around. I then fell down and had a seizure as a result of Blow to the head by Defendant Mihal as I went unresponsive and urinated myself etc.

(44) Medical Dept was called and assessed me and I was taken to infirmary as I Reported sexual abuse by Defendant Mihal after I came out of Post initial stage and Rested for 20 minutes or so. Clothing was Preserved for sex abuse evidence, I was Left in Infirmary cell for 30-40 minutes Prior to taken out to outside hospital "UPMC Harrisburg Pinnacle Hospital".

(45) Prior to taken out, officers came around with Dinner meal trays, I told staff I dont think it'll be good Idea to eat/drink anything yet, but they stated That it won't harm evidence preservation if I eat/drink, so I ate drink! My clothing was collected as evidence.

(46) At hospital on September 3, 2019 SANE /SAFE Forensic Nurses Emily Hanes and OR Greer R. Spittle as before like incident of 8/14/19, collected evidence, did Rape kit Swabs and took Photos of my injuries which include The injuries on my penis which was saved and given to PSP. The Pictures Reflected my injuries, SCRAPES, CUTS, teeth mark, Bite marks, on my penis which was very sore and painful. They documented all in Hospital reports, etc Discharge papers.

(47) Pennsylvania State Police Defendant Bronescswiski was Defendant Mihal's friend, so he was assigned to Investigate the sex abuse as described that happened on 9/3/19. They conspired to file false fabricate malicious criminal charges against me in retaliation for my Good faith honest sex abuse complaint against Defendant Mihal. The State of Pennsylvania, Cumberland county, Defendant Mihal, Bronescswiski, Benfield and other defendants are Responsible as well.

(48) The first time Defendant Bronescswiski came to interview me as he stated he attempted was a conspiracy because on this day I was at my door talking to psych PSS Gross who witnessed 2 unknown unidentified officers - Defendants came to my cell telling me that "Mihal" wanted to speak to me in her office, so I refused in fear.

(49) IF it was Really PSP Trooper there to talk to me, I was deceived by Security Dept officers Defendants who told me that Mihai wanted me in her office again to possibly abuse me again. I told the officers who stated they already knew about the separation between me and Mihai due to sexually abusing me twice, but they still tried to tell me to come see her, I filed grievances about this incident as well. The investigation of sex abuse claims against Mihai started 9/3/19 and ended May 2020, May 2020.

(50) When finally interviewed by PSP Defendant Bronescswiski, in regards to the claims of sexual assault filed against Mihai, his friend. He told me that I was not in trouble or being investigated or under arrest or anything in the nature as he never even read me a Miranda warning, he had me sign a card as he stated its consent for him to investigate the sexual abuse incident of 9/3/19. He eventually interviewed me with an audio tape recorder present and said he use tape recorder to go back to what I said, incase he forget to write something in his reports, he use it as a tool to remember. (For indecent exposure DOC misconducts or unfounded Prea Allegations in regards to other inmates who receive such misconducts or PREA results does not get criminally charges for it, however I was falsely charged.)

(51) I sworn under oath and told Defendant Bronescswiski PSP Trooper the 100% truth of incidents of sexual abuse specifically the 9/3/19 incident, however he conspired with Defendant Mihai, his friend to file false criminal charges against me in retaliation. The criminal charges stated that I allegedly filed false unfounded Prea sex abuse allegations against Mihai and that I exposed my penis to her and that I gave false information to the trooper, and other charges... "5" or "6" misdemeanors of criminal code statutes. It is now as of July 2021 been 14 months since falsely charged.

(52) Defendant Bronescswiski and others responsible involved in the investigation filed malicious retaliatory criminal charges against me in May 2020, I was given/served the Police Complaint - Affidavit of cause, etc. By Defendant Ritchey which revealed the charges, alleged facts and Bail of \$25,000 cash secured according to the papers. I was unable to post the Bail, so remained pending on the false charges while incarcerated in custody. I was informed months later that the charges was withdrawn - dismissed with prejudice although given no written information.

(53) I suffered extreme anxiety, stress, Depression, mental anguish for several months as result of being repeatedly sexual abused by Defendants harassed, assaulted and had serious criminal false charges pending against me. As result, I repeated committed self harm and attempted suicide. My life/freedom was at risk for months if convicted of false charge.

(54) After months of having false charges against me, although I was never given opportunity to appear or attend any hearings on charges, I was informed by DOC staff Defendants that the charges was dismissed with prejudice.

PRINTED IN U.S.A.

- (55) I WAS found Not guilty of the malicious retaliatory criminal charges filed against me by Defendant BRONESCWSKI and others PSP, etc and charges was withdrawn dismissed with prejudice. I was told that they never made it pass Preliminary hearing stages cause case lacked evidence and was hearsay by PSP Trooper BRONESCWSKI on reports false info. ^{inadmissible}
- (56) in regards to incident of 9/3/19 Sexual abuse, Defendant Mihel wasn't given notice that I filed PREA against her until 9/4/19 when she returned to work the next morning - However upon notice, she wrote up a false malicious Retaliatory MISconduct DC 141 Report against me alleging that I exposed my penis to her and during 9/3/19 interview. She back dated the Report alleging it was written on 9/3/19, when really she wrote it on 9/4/19. All Defendants continue to conspire to file false malicious Retaliatory criminal charges against me and have their employees/employers coworkers friends file false malicious criminal charges on me in future.
- (57) PA DOC Policy & DC ADM 801 Section 1 MISconduct Policy states that MISconduct Reports shall be written and served same day of incident-written.
- (58) While in infirmary cell in medical Dept on 9/3/19 upon return from hospital UPMC Pinnacle Harrisburg, I shall have been served the MISconduct if it was really written on 9/3/19. However I wasn't served until next day in the DTU E Block on 9/4/19. My Due Process was violated and I raised the issue of MISconduct written/served at hearing but HEX still found me guilty illegally and sanctioned me to 45-60 Days DC so consecutive status which caused me to not be able to be interviewed for Parole by Board until months later as a result of more DC status time, Parole Dept interview inmates in RHU/DTU on DC status.
- (59) While it is true that my penis was outside of my pants on 9/3/19 but however I didn't expose my own penis, instead Defendant Mihel pulled my penis out without my consent.
- (60) Defendant Benfield, Harry, K. Carberry, State of Pennsylvania, and others responsible was in charge of facility and ensures safety/security of inmates as they supervised all of the other Defendants and they had notice written/verbally prior to and after Defendants malicious sexual physical assaultive Retaliatory Behaviors towards me in the facility the patterns of excessive force/assaults but didn't protect me from harm or further harm and didn't care and seemed to ignore the communications therefore causing numerous of physical mental emotional psychological INJURIES as described

(61) When Defendants specifically Mihal and Bronescuwski found out that the false criminal charges they conspired to ~~file~~ ^{filed} against me, was eventually dismissed/withdrawn or knew that the charges would likely be dismissed, they continued to conspire to set me up, to file more charges ~~in~~ in retaliation by sabotaging confiscating my outgoing U.S Mail, holding it and then ordering security officers Wallace, etc to harass me with planned intentional URINEALYSIS Requirement for me to submit urine samples repeatedly so they could pour onto my mail and lie and say I attempted to send out urine ~~in~~ in the mail stains etc so they could file false criminal charges against me of "Aggravated Harassment by Poisoner" through way of US Mail, and they attempt to obtain DNA to use to set me up such as on 8/31/20 and other dates all in continuing pattern of conspiracy to file malicious ~~chr~~ criminal charges against me in future before statute of limitations, incase I filed this herein Law-Suit sex abuse claims against Defendant Mihal. All Defendants knew that I did not commit any crime or have intent to commit any crimes.

(62) TO SAVE FUNDS, due to LACK of funds to preserve camera footage videotapes, they didn't record. The Lack of Installed working cameras on the Unit E Block ^{reason} and all other places where I was either sexually/physically abused at by all mentioned defendants, is a text book example of deliberate ~~act~~ indifference. There was cameras installed and angled in the area of EA1007 cell on 8/14/19 and in security Dept hallways, Lobby and Mihal's office on both times she sexually abused me such as July 2019 and September 3, 2019 however it was brought to my attention that these cameras don't record, they are there just for show and tell and to make it look like they comply with PA State Law and Federal Law that passed years prior to ~~have~~ require all PA DOC Prisons to have sufficient amount of working cameras install on in places units for safety/security of all staff & inmates. However at these times, ~~one~~ of the incidents in question, there was cameras installed to view the areas but the cameras did not record and all defendants was ~~are~~ aware and knew of prior to the incidents occurring so they took advantage of the fact they could do illegal acts ~~and~~ and they still all knew when the incidents occurred but still failed to ensure cameras record afterwards as a result, the defendants failed to protect me from harm and risk of attacks and was deliberate indifferent to my safety which resulted in physical psychologically emotional injuries.

The only recording cameras available was handheld audiovisual camera which were arrived after assaults ended.
